## REVIEW MATERIALS

Bates Number	Description
	Liang, R., Abramowitch, S., Knight, K., Palcsey, S., et al., "Vaginal Degeneration Following Implantation of Synthetic Mesh with Increased Stiffness," BJOG, 2013 January; 120(2): 233-243.
	Meng Chen Deposition Designations with Exhibits (10/29/13) - 3321, 3322, 3324
	Meng Chen Deposition Designations with Exhibits (10/30/13) - 3326, 3328
	Gross Trial - Ciarrocca Testimony and Exhibits (1/15/13) - 354, 359, 370, 379, 382, 390, 401, 432, 454, 456, 472, 474, 485, 494, 498, 500, 501, 768, 967, 980, 1010, 1303, 1305, 1510, 1539, 1693, 1694, 1695, 1696, 1697, 1698, 1699, 1701, 1702, 1703, 1739
	Gross Trial - Hinoul Testimony and Exhibits (2/8/13) - P1593, D501, P785, P348, P1664, P1670, P616, P530, P591, P713, P693
	Gross Trial - Hinoul and Kammerer Testimony and Exhibits (1/16/13) - 1624, 1664, P629, 0344, 785, P1679, P756, 1258, 1670, P1143, P0750, 746, P28, 616
	Gross Trial - Arnaud and Henderson Testimony (2/1/13) - No Exhibits
	Batiste Trial - Hinoul Testimony and Exhibits (3/26/14) - D23202, D23501, P1406, J00079, 1404-R, 1271-R, 2312, 515, 1220, 1290, 2313, 180, 4272, 4164-R, 1987, D31111, 4169, 4083, 1164, 4099, 4100, 3460B, 2857, 4259, 2077, 279, 500, 573, 332, 4176, 528, 4216, 3946, 4218, 3352, 4037, 3199, 942, 1011-R, 4271, 232, 464, 4130, 4220, 4105, 3948, 4204-C, 4203
ETH.MESH.09033951	Ethicon Credo - Credo of company
ETH.MESH.05924718- ETH.MESH.05924719	Ethicon Health Care Compliance Brochure - Brochure containing credo, summary of healthcare compliance, and highlights from guidelines for gifts to physicians from industry
ETH.MESH.11336216- ETH.MESH.11336225	Ten Year In Vivo Study: Scanning Electron and Light Microscopy Interim Report on Dog #1995 After 6 Years, 10.5 Month, SR #33788 - Letter summarizing conclusions about death of dog #1995 during study in which sutures were implanted and explanted
ETH.MESH.09264945- ETH.MESH.09264946	Prolene Mesh Re-Design Project - Letter summarizing proposed mesh re-design project goals and soliciting thoughts on regulatory strategy

ETH.MESH.03905472- ETH.MESH.03905477	RE: TVT recommendation from Dr. Alex Wang - Emails discussing surgeon recommendations on TVT changes and clinical significance of complaints of TVT tape deformity
ETH.MESH.01160521- ETH.MESH.01160547	Suture Spitting Literature - Emailed results of abstracts from literature search around the topics of suture protrusion and erosion
ETH.MESH.00409674- ETH.MESH.00409675	Dr. Alex Wang, Taiwan--Reports of tape rejection" with TVT - Emails discussing Dr. Wang's report of a pattern of adverse events in TVT cases which he considers potential rejections of prolene mesh
ETH.MESH.03910418- ETH.MESH.03910421	RE: Mini TVT - Mesh Adjustment - Emails discussing Mini TVT tensioning and whether or not there is a need for adjustment of mesh or a possibility of over tightening it
ETH.MESH.05455878- ETH.MESH.05455898	Ethicon Surgeon Panel Meeting - Detailed notes and summaries from multiple panel discussions and presentations on mesh - both polypropylene and other - risks and complications, new ideas, and design
	Plaintiffs' Trial Exhibit P1739 (46 pp)
ETH.MESH.02270766- ETH.MESH.02270767	RE: D'Art: Risk Question - Emails discussing concerns about reports of mesh retraction/shrinkage
ETH.MESH.00857891- ETH.MESH.00857893	Top Ten Reason to Pursue GYNECARE TVT Obturator System - PowerPoint listing reasons that TVT-O should be used
ETH.MESH.00900574- ETH.MESH.00900575	RE: Observation of Tissue Tearing - Emails discussing tissue tearing during strap placement in mesh procedures
ETH.MESH.03364540- ETH.MESH.03364544	RE: TVTO training Carmel Ramage - Emails discussing surgical techniques diverging from the IFU for TVT-O during live surgery training
ETH.MESH.03910637- ETH.MESH.03910638	RE: critical Q&A - Email response from Dr. Arnaud to request for responses to customer questions on differences between old/new Gynemesh and on erosion of the vagina with Gynemesh
ETH.MESH.03358784	Mesh research - Email from Dr. Kammerer with questions about addressing the issue of scar reduction around implanted meshes and the Ultra Pro material
ETH.MESH.02180833	TVT Tape - Letter of complaint from Dr. Eberhard re: crumbling TVT tape
ETH.MESH.00132504- ETH.MESH.00132505	Dr. Hale and Prolift - Erosion Concern - Email of Dr. Hale's concerns about grafts placed vaginally and erosions with Gynemesh and emails discussing them

ETH.MESH.02280771- ETH.MESH.02280772	RE: D'Art Clinical Expert Report (CE Mark requirement) - Emails discussing concerns about a Clinical Expert Report
ETH.MESH.00442080- ETH.MESH.00442081	Confirmation of the Improved TVT-O (Mesh) Rationale (DRAFT) Email discussing current situation with customer complaints about TVT and presenting an analysis of the situation and solutions
ETH.MESH.00752129 (35 PP)	Review of Surgical Techniques Using Mesh - PowerPoint presentation authored by Dr. Robinson on mesh techniques and issues
ETH.MESH.05795322- ETH.MESH.05795324	RE: 01 PE results - REVISED - Emails discussing professional education statistics and budgets
ETH.MESH.00526473- ETH.MESH.00526474	Laser-cut Mesh - Email discussing from Product Director discussing a resolution on the use of Laser-Cut Mesh in TVT-Secur
ETH.MESH.08473894- ETH.MESH.08473974	Medical Director, Charlotte Owens - Handwritten phone notes, typed letter detailing complaints about Owens' leadership, illustrative emails referenced in letter, Owens' resignation letter, HR exits and action forms, hiring forms
ETH-80249	Forgot - Forwarded email reporting patients unable to void after Prolift total procedures
ETH.MESH.06894281- ETH.MESH.06894283	Re: MINT - Emails discussing excessive bleeding after a one-step insertion technique for mesh straps during a posterior MINT
ETH.MESH.00133497- ETH.MESH.00133499	Summary of Meeting at AAGL - Email discussing changes to adverse events section of IFU and summary of meeting on voiding problems post Prolift procedure
ETH.MESH.02135200- ETH.MESH.02135201	FW: TVT U Completion Report Version 3 - Emails discussing a study and papers comparing Laser Cut and Mechanical Cut Mesh
ETH.MESH.22129733- ETH.MESH.22129782	Re: Medical Device Reporting: Required Improvements to Investigations - Email and documents discussing investigation of MDR reportable complaints, complaint protocol, FDA correspondence
ETH.MESH.00803777- ETH.MESH.00803782	Prolift Users Forum - Meeting minutes from Prolift forum
ETH-83454-ETH-83455	FW: Mesh Microns - Emails discussing pore size of Gynemesh and Prolift
ETH.MESH.05454207- ETH.MESH.05454208	Photos Cadaver Lab - Emailed photo of mesh
ETH.MESH.00835753- ETH.MESH.00835755	RE: Cosson - Email discussing doctors pressing for changes in the Prolift kit and the possibility of making modifications to it

ETH.MESH.01782867 (28 PP)	Factors Related to Mesh Shrinkage - PowerPoint discussing the shrinkage of mesh materials, Foreign Body Reaction, pore size, and literature on shrinkage
HMESH_ETH_00109763- HMESH_ETH_00109767	RE: Technical information on Lightweight Mesh - Emails requesting Ethicon formulate responses to a TYCO presentation on polyester mesh
ETH.MESH.02183202 ( 2 PP)	Mechanical properties of synthetic implants used in the repair of prolapse and urinary incontinence in women: which is the ideal material? - Spreadsheet from a study detailing the pore size, area weight, burst pressure, tensile strength etc. of different meshes
ETH.MESH.05920616- ETH.MESH.05920617	Defining Light Weight Mesh - Email from WW Marketing Director detailing Ethicon's definition of lightweight mesh and asking questions about pore size, filament diameter, and absorbable mesh
HMESH_ETH_00080239- HMESH_ETH_00080243	RE: Light Weight Definition Core Team Minutes - Emails discussing the development of a definition of Lightweight mesh and including future products in this definition
ETH.MESH.00922443- ETH.MESH.00922446	RE: Bidirectional Elasticity Statement - Emails discussing edits made to the Instructions For Use for Prolift +M
ETH.MESH.00821702 (26 PP)	Prospective TVM Studies - PowerPoint on TVM and Prolift studies in France and the U.S., failures and risk factors, prospective studies, and outcomes
ETH.MESH.05208544- ETH.MESH.05208547	RE: TVT O versus TVT Secur Efficacy and Safety Rates - Email detailing concerns about TVT-Secur's high failure rates, the efficacy of its training program, and its lack of clinical data
ETH.MESH.00827141- ETH.MESH.00827143	Meeting with the Australian Regulator to Discuss TVT Secur Performance - Email brief on high TVT Secur failure rates and scheduled meeting with Australian regulator
ETH.MESH.01218423- ETH.MESH.01218424	Pelvic Organ Prolapse Repair: Lesson Learned from the PROLIFT Experience - Report by Dr. Arnaud detailing what surgeons like about Prolift and Prolift's issues during and after the procedure
ETH.MESH.00006636	Interim Report Mesh Explants Pelvic Floor Repair - Report on a study by Professor Klosterhalfen summarizing complications he found following mesh implantation
ETH.MESH.03086214- ETH.MESH.03086219	RE: Prosima - Please Don't Forward/Share - Emails discussing the analyses planned for Prosima data and concerns about the commercial side of the company's involvement with research

ETH.MESH.03021946 (25 PP)	T-Pro Pipeline Leadership Team - PowerPoint on proposed T-Pro synthetic prosthesis to replace 'meshes' which are not developed specifically for pelvic reconstruction
ETH.MESH.02247342 (55 PP)	Historical Perspective The Journey from PROLIFT to PROLIFT+M - PowerPoint presenting history of Ethicon mesh products, insights on wound healing and tissue response, benefits of Prolift +M and comparison of it to competitor meshes
ETH.MESH.12003000- ETH.MESH.12003012	Literature Review and Analysis of Gynecare Prolift - Invoice billing for conducted analysis and literature review and report of analysis of literature on Prolift anatomy
ETH.MESH.00591127- ETH.MESH.00591128	RE: Registry for All! - Emails discussing making POP registry database available to the public and joking about failing mesh
ETH.MESH.02138454- ETH.MESH.02138455	RE: TVT Mesh Pore Size Measurement - Emails discussing a visual test method to measure porosity, but stating that there exists no written test method to measure pore size
ETH.MESH.01264260 (33 PP)	Prolift +M - Pelvic Floor Meeting - PowerPoint about Prolift +M containing information on biocompatibility, mesh contraction, and tensile properties
	Plaintiffs' Trial Exhibit P1706 (55 PP)
ETH.MESH.00209295- ETH.MESH.00209299	RE: TVTO Mini IFU Rewrite - Emails discussing edits to the Instructions For Use for TVT-O mini, the importance of positioning, causes of leg pain after TVT-O procedure, and whether or not the TVT-O IFU needs to be rewritten
ETH.MESH.00851319- ETH.MESH.00851321	RE: PROSIMA Implant Dimensions - Emails discussing how to answer physician questions about PROSIMA dimensions, coverage of DeLancey levels, and erosion rates as compared to Prolift.
ETH.MESH.11205022- ETH.MESH.11205027	FW: CO-0022344 for your Review; Target Approval 04-12-2010 - Emails discussing a comparison of the Warning and Precaution statements for TVT, TVT-O, and TVT-A, contact of tape with the urethra, and pillowing of tissue through the pores of the mesh
ETH.MESH.01252509- ETH.MESH.01252512	RE: Review of Scion 2 Year Data - Emails discussing meeting scheduling to review Scion data and statement from Dr. Kirkemo that he hated obturator slings
ETH.MESH.02200585	Prolene - Notes on old weave and new weave mesh material, size, shape, and characteristics

ETH.MESH.03641969- ETH.MESH.03641970	RE: CONFIDENTIAL: Background on Forthcoming NEJM Article Scheduled for May 12 - Emails discussing forthcoming study on use of Prolift for POP, rates of adverse events, and media spin
JJM.MESH.00441352	Bridging Fibrosis - PowerPoint slide discussing persistent inflammatory reaction to heavyweight meshes
	Characteristics of Synthetic Materials Used in Prolapse and Incontinence Surgery (43 PP)
ETH.MESH.00863391- ETH.MESH.00863393	Important: 2 TVT Complaints concerning allegedly brittle mesh Email - An email discussing issues with TVT mesh
ETH.MESH.02180826- ETH.MESH.02180827	Mesh Fraying: Dr EBERHARD letter Email - An email discussing the issues of fraying mesh
ETH.MESH.02180828- ETH.MESH.02180830	TVT Blue Fax - A fax discussing some issues that have come up with TVT Blue
ETH.MESH.02180833	TVT Tape - A memo discussing issues that have come up with TVT Blue
ETH.MESH.00865322- ETH.MESH.00865323	Reminder on BLUE mesh Email - A email discussing complaints
ETH.MESH.01221055- ETH.MESH.01221058	An independent biomechanical evaluation of commercially available suburethral slings - An article discussing slings
	LCM Project, Photographs Comparing Laser Cut Mesh vs. Mechanical Cut Mesh
ETH.MESH.12832662	Applied Science and Technology Analytical Characterization - A memo that discusses the Prolene Soft Mesh Pore sizes
	Document 1 - Pore Size Measurement from Ethicon
	Document 2 - Pore Size Measurement from Ethicon
	<b>Charlotte Owens Deposition - 09-12-12</b>
	Plaintiffs'-3000 - Curriculum Vitae
ETH.MESH.02280771- ETH.MESH.02280772	Plaintiffs'-3001 : D'Art Clinical Expert Report (CE Mark requirement) Email - An email discussing the Clinical Expert Report
ETH-37788- ETH-37793	Plaintiffs'-3002: Gynecare Clinical Expert Report - Clinical Expert Report on Prolift
ETH-02800- ETH-02812	Plaintiffs'-3003: Gynecological Journal - A journal article that discusses the conceptual advances in the surgical management of genital prolapse
ETH.MESH.02341522- ETH.MESH.02341527	Plaintiffs'3004: Gynecare Prolift - Instructions for use
	D1 - Amended Cross Notice of Depo of Charlotte Owens
	<b>Charlotte Owens Deposition - 09-13-12</b>

ETH.MESH.02270857- ETH.MESH.02270858	Plaintiffs'-3005: D'Art- Conversation with Prof Jacquetin Email - An email discussing the use of vypro by a specific surgeon
ETH.MESH.00127026- ETH.MESH.00127030	Plaintiffs'-3006: VOC & Follow Up for Clinical Information needed by late January for PROLJFT* (confidential) Email - An email that discusses the results of Marketing research
ETH.MESH.04243020- ETH.MESH.04243022	Plaintiffs'-3007: TVM Email - An email discussing violations
	Plaintiffs'-3008 - Article entitled Safety of Transvaginal Mesh procedure: Retrospective study of 684 patients
ETH.MESH.02273358- ETH.MESH.02273359	Plaintiffs'-3009: GYNECARE PROUFT* PELVIC FLOOR REPAIR SYSTEM (PROJECT D'ART) Email - An email that discusses the Device Design Safety Assessment.
ETH.MESH.00869983	Plaintiffs'-3010: Classification of meshes based on porosity and filament type as follows - A memo that discusses the classifications and complications of mesh
	Thomas A. Barbolt, Ph.D. Depo Cuts October 9, 2012 October 10, 2012 August 14, 2013 August 15, 2013 January 7, 2014 January 8, 2014
ETH.MESH.03919143 - ETH.MESH.03919144	Gynemesh holding force in tissue Email - An email discussing issues with mesh
ETH.MESH.02276129 - ETH.MESH.02276130	TVM Procedure Email - An email discussing various ideas and possible issues
ETH.MESH.02270770 - ETH.MESH.02270772	Distal Strap Location For Anterior Implant Email - An email that discusses procedure questions
ETH.MESH.00900574 - ETH.MESH.00900575	Observation of tissue tearing Email - An email that discusses tissue tearing
ETH.MESH.01986683 - ETH.MESH.01986683	TVM and TVT 2/12 Email - An email that discusses tissue tearing
ETH.MESH.00900352 - ETH.MESH.00900353 AND ETH.MESH.00912899 - ETH.MESH.00912903	Mesh Straps - a thought Email - An email that discusses straps
ETH.MESH.00914705 - ETH.MESH.00914705	Mesh strap transition Email - An email discussing mesh straps
ETH.MESH.03921403 - ETH.MESH.03921403	Prolift System - A memo discussing features to improve Prolift

ETH.MESH.00133497 - ETH.MESH.00133499	Email - An email that discusses the attached summary of meeting at AAGL
ETH.MESH.03921408 - ETH.MESH.03921408	Visit November 10, 2005 Email - An email discussing the issues a surgeon is facing with the use of Prolift
ETH.MESH.03911684 - ETH.MESH.03911687	PROLIFT Improvements - Pr Eberhard (Frauenfeld, Switzerland) Email - An email discussing improvements to Prolift
ETH.MESH.00849867 - ETH.MESH.00849869	Prolift help Email - An email discussing issues with Prolift
ETH.MESH.00850307 - ETH.MESH.00850310	Hello from Tokyo Email - An email discussing mesh arms
ETH.MESH.00803777 - ETH.MESH.00803782	Minutes: Prolift Users Forum - A memo that includes the minutes from the Prolift forum
ETH.MESH.00847233 - ETH.MESH.00847235	PROLIFT email - An email discussing a technique used
ETH.MESH.00847401 - ETH.MESH.00847401	Complaint Email - An email discussing a complaint with Prolift
ETH.MESH.00870465 - ETH.MESH.00870476	Minutes Hamburg Meeting Email - An email containing the minutes from a meeting in Hamburg
ETH.MESH.05454207 - ETH.MESH.05454208	Photos cadaver lab Email - An email containing photos from a cadaver lab
ETH.MESH.00267733 - ETH.MESH.00267872	Lightning Project Charter PowerPoint Presentation - A PowerPoint that discusses the request for charter, proposed product, value proposition, and market/financial
ETH.MESH.03912616 - ETH.MESH.03912618	PROLIFT Mesh Design Email - An email that discusses the mesh design of Prolift
ETH.MESH.06616651 - ETH.MESH.06616651	Case Email - An email discussing complaints/issues of a case
ETH.MESH.13263449 - ETH.MESH.13263449	Case Email - An email discussing complaints/issues of a case
ETH.MESH.00902149 - ETH.MESH.00902151	PROLIFT+M Design Risk Documentation Email - An email discussing potential risks associated with Prolift +M
ETH.MESH.03650906 - ETH.MESH.03650909	PROLIFT+M Design Risk Documentation Email - An email discussing potential risks associated with Prolift +M
ETH.MESH.01218423 - ETH.MESH.01218424	Pelvic Organ Prolapse Repair: Lesson Learned from the PROLIFT Experience - A memo that discusses what surgeons like and what the issues are
ETH.MESH.00906661 - ETH.MESH.00906661	FDA response: PROLIFT Email - An email discussing the FDA response to Prolift
ETH.MESH.00012267 - ETH.MESH.00012303	Design Requirements Matrix - A memo that discusses the design requirements of Prolift +M
ETH.MESH.00836975 - ETH.MESH.00836977	Mesh Shrinkage Email - An email that discusses mesh shrinkage in Prolift

ETH.MESH.09650853 - ETH.MESH.09650863	Invention Disclosure Form - A form that discusses the invention disclosures of Areal implant with body embedded properties.
ETH.MESH.12003000 - ETH.MESH.12003012	Prolift - A memo discussing Prolift in detail
ETH.MESH.00857704 - ETH.MESH.00857705	T-PRO_TPP.ppt Email - An email discussing the advantages over +M
ETH.MESH.01239420 - ETH.MESH.01239424	RAB - T-Pro redefinition Email - An email discussing impressions from RAB
ETH.MESH.07171404 - ETH.MESH.07171406	Promisa Take Away Messages Email - An email discussing the highlights from a meeting
HMESH_ETH_02094649 - HMESH_ETH_02094650	Trip Summary: Dr. Neuman Email - An Email discussing the summary of a trip
ETH.MESH.01254550 - ETH.MESH.01254554	Interesting data on Dyspareunia and PROLIFT+M Email - An email discussing an upcoming meeting
ETH.MESH.02011262 - ETH.MESH.02011267	Methodology to Prevent Mesh Torsion during Vaginal Mesh Placement Email - An email containing notes about sheath invention
ETH.MESH.09122371 - ETH.MESH.09122372 AND ETH.MESH.07515083 - ETH.MESH.07515104	NEO sample requirements for pilot sheep study Email - An email discussing the sheep pilot study
ETH.MESH.07237575 - ETH.MESH.07237576	Actually a few more Questions Email - An email discussing questions about mesh arms
ETH.MESH.16196954 - ETH.MESH.16196977	Report - A memo discussing the meeting regarding Prolift Mesh

HMESH_ETH_00457923 - HMESH_ETH_00457925	Frequently Asked Questions About The Release of New Construction PROLENE* polypropylene Mesh - Ethicon document answering internal FAQs about new construction PROLENE mesh, including why changes were made and how company will handle transition to new mesh
ETH.MESH.09267953 - ETH.MESH.09267960	RE: TVTO Dr. Feagins Case Follow Up - Emails discussing physician difficulties with TVT-O, variable difficulty of sheath removal with TVT-O, and a difficult TVT-O case of Dr. Feagins' and his concerns about leg pain and difficulty perforating the obturator foramen with TVT-O
ETH.MESH.00752208 - ETH.MESH.00752208	Characteristics of Synthetic Materials Used in Prolapse and Incontinence Surgery - PowerPoint about use of meshes for pelvic floor surgery detailing mesh product requirements for surgical use and specific requirements for Sub-urethral slings and POP repairs
ETH.MESH.03912425 - ETH.MESH.03912428	RE: Value Proposition LIGHTning - Emails discussing the Lightning Mesh Project presentation and document outlining Project Lightning's goals to reduce mesh erosion, folding, crunching, shrinkage, and pain
ETH.MESH.00870566 - ETH.MESH.00870573	LIGHTning Project Initiation Proposal - Emailed proposal for Lightning project with stated objective to determine if existing Ethicon mesh material can be improved to minimize complication rates

ETH.MESH.01999561 - ETH.MESH.01999564	KEY FINDINGS FROM IUGA Interviews 2006 - Document listing key concerns and suggestions communicated by physicians and summary of interviews with physicians about Ethicon's mesh products
HMESH_ETH_01801001 - HMESH_ETH_01801004	RE: Preclinical Contraction Model -Emails discussing mesh contraction and the possibility of pain cause by disturbance of a nerve, and emails debating about whether or not to continue that line of inquiry
HMESH_ETH_02357471 - HMESH_ETH_02357476	RE: Nerve irritation M4F - Emails discussing article about chronic pain associated with the placement of a mesh device, intrinsic interaction between nerves and mesh, and which studies should be done to research these topics further
HMESH_ETH_02322157 - HMESH_ETH_02322158	WG: Preclinical Information M4F- Emails discussing studies needed on possibility of interaction between mesh and facial nerve
ETH.MESH.01961610 - ETH.MESH.01961611	Meeting Report - Report of meeting to discuss design requirements for a next generation pelvic floor mesh called Thunder
ETH.MESH.01818382 - ETH.MESH.01818397 ETH.MESH.02590903 - ETH.MESH.02590904 ETH.MESH.25908742 - ETH.MESH.02590781 ETH.MESH.02590878 - ETH.MESH.02590899	An Investigational Study of Swine Models to Evaluate Mesh Contraction and Tissue Integration Over a 13 Week Period - Research report on a study of implanted PROLENE, PROLENE Soft, and ULTRAPRO mesh in swine, including tables, photographs, and a pathology report
ETH.MESH.02590865 - ETH.MESH.02590865	Thunder: Technical Review - Presentation on Thunder project to develop new mesh for pelvic floor repair, detailing need for new mesh, technical requirements, marketing position, and research activities
ETH.MESH.00079680 - ETH.MESH.00079683	RE: Ureter Obstruction - Prolift - Emails discussing complaints related to ureter obstruction or constriction and what kind of changes should be made to the IFU for Prolift based on complaints
ETH.MESH.05901897 - ETH.MESH.05901897	Minutes VoC Dr. Lobodasch - Minutes from a 2008 meeting about changes to Prolift material and procedure and questions about design

ETH.MESH.05845620 - ETH.MESH.05845643	MCA - Mesh for Contaminated Areas: Technical Summary- Emailed confidential report on developing mesh to work in vivo in contaminated areas of the body, and article by Andrew L. Lewis titled "Phosphoryl choline Technology" published in the Encyclopedia of Biomaterials and Biomedical Engineering (2004)
ETH.MESH.24107687 - ETH.MESH.24107693	Doug Hale's Article on Prolift - Email discussing article on Prolift and hyspareunia and the article, by Joyce K. Lowman, Leticia A. Jones, Patrick J. Woodman, and Douglass S. Hale, titled "Does the Prolift System Cause Dyspareunia"? Published in the American Journal of Obstetrics & Gynecology (Dec. 2008)
ETH.MESH.02129838 - ETH.MESH.02129859	Prolift Ultrasound - Email requesting correction of article on ultrasonographic appearances following Prolift procedures, emailed comments from readers for the journal Ultrasound in Obstetrics and Gynecology, and attached article titled "Transvaginal mesh repair of anterior and or posterior vaginal wall prolapse: a clinical and ultrasonographic study"
ETH.MESH.19976595 - ETH.MESH.19976599	The Goal of Lightweight Mesh - Notes discussing Gynemesh PS, Prolene, VYPRO, and ULTRAPRO mesh, differences between lightweight and heavyweight mesh, and the rates of complications occurring with each
ETH.MESH.02141080 - ETH.MESH.02141080	Project: T-PRO – Target product Profile 25 march 2009 - PowerPoint slide from presentation on T-PRO mesh project, detailing efficacy, safety/tolerability, payer value, and indications for T-PRO
HMESH_ETH_02200921 - HMESH_ETH_02200921	Discovery Project T-Pro - PowerPoint overview of T-Pro mesh project detailing material and constructions options, clinical requirements, test methods, challenges, and market opportunity
ETH.MESH.12192215 - ETH.MESH.12192215	June 16, 2009 - Document authored by Dr. Robinson discussing unique mesh characteristics that are necessary in pelvic organ reconstruction, the possible clinical impact of increased rigidity with mesh, and statement that all future meshes will be less rigid than Gynemesh PS
ETH.MESH.00570726 - ETH.MESH.00570728	Educational Course # 16 Transvaginal Mesh Repair for Pelvic Organ Prolapse: Part II: Per and Post Operative Specific Complications - Document by B. Jacquetin and L. Velemir discussing how to assess, prevent, and manage mesh shrinkage.

ETH.MESH.00086823 - ETH.MESH.00086829	Vaginal Mesh Contraction - Emails discussing article on contraction with Prolift titled "Vaginal Mesh Contraction Definition, Clinical Presentation, and Management" by B. Feiner, and C. Maher in Obstetrics & Gynecology (Feb. 2008) Vol 115, No 2
ETH.MESH.09928467 - ETH.MESH.09928527	Specific Complications After Transvaginal Mesh Repair with Kits: How to Prevent ? How to manage? Workshop 30 - Schedule for workshop on mesh complications; presentations on mesh shrinkage, erosion, and sexual outcomes; document by B. Jacquetin discussing how to assess, manage, and prevent mesh shrinkage; document by P. Dwyer discussing recurrence of Pelvic Organ Prolapse after surgery
ETH.MESH.02010834 - ETH.MESH.02010855	Biomechanical Consideration for Pelvic Floor Mesh Design - Report detailing technical development of design of next generation pelvic floor mesh based on generating an advanced understanding of pelvic floor biomechanics
ETH.MESH.03753245 - ETH.MESH.03753245	Biomechanics (Pelvic Forces) - PowerPoint analyzing pelvic forces for future mesh development and detailing technical components of possible testing
ETH.MESH.08313650 - ETH.MESH.08313652	RE: French TVM 5-year and the Prolift Future - Emails discussing the difficulties and future of TVM and Prolift, the stance of IUGA, ACOG, and AUGS on mesh
ETH.MESH.000856903 (WITH NOTES)	Team Latin Quarter PowerPoint 2007 - PowerPoint on TVT Secur detailing procedure steps
ETH.MESH.00856904	Secur Magic - Video advertising TVT Secur featuring a man dressed as a magician

ETH.MESH.02340902- ETH.MESH.02340908	<b>TVT-O Instructions for Use:</b> Instructions in use from 5/12/2010 to present day.
ETH.MESH.02340568- ETH.MESH.02340590	<b>TVT-Secur Instructions for Use:</b> Instructions in use from 12/16/2005 to discontinuance.
	<b>ALL ETHICON MESH PRODUCTS NOTEBOOK</b>
ETH.MESH.12831405 - ETH.MESH.12831406	<b>Crack Depth in Explanted PROLENE Polypropylene Sutures:</b> Memo on a study which found Prolene sutures showed surface cracks after implantation and table of crack depth
ETH.MESH.12831391 - ETH.MESH.12831404	<b>IR MICROSCOPY OF EXPLANTED PROLENE -</b> Memo about samples that were pulled from a human graft and examined for cracking
ETH.MESH.12831407 - ETH.MESH.12831408	<b>PROLENE EXPLANTS STUDY MEETING MINUTES 10/8/87 -</b> A meeting was held to discuss the status of the study on PROLENE* explants
ETH.MESH.09888187 - ETH.MESH.09888223	<b>SEVEN YEAR DATA FOR TEN YEAR PROLENE STUDY -</b> This report contains a summary of IR, IV, GPC, OM and SEM data.
ETH.MESH.03544317 - ETH.MESH.03544328	<b>INTEGRATED PROJECT UPDATE: MARCH -</b> An update that includes the assessment, concept, feasibility, development and implantation of the products

ETH.MESH.05521275 - ETH.MESH.05521278	<b>Characteristics of NGP Polymer Material and Its Sutures</b> - A memo that discusses in depth about the NGP Polymer material and its properties
ETH.MESH.08505072 - ETH.MESH.08505076	<b>PRONOVA [poly(hexafluoropropylene-vinylidene fluoride)] Non-Absorbable Suture USP - Position Statement to Support Clinical Safety and Efficacy</b> - A letter supporting the clinical safety of Pronova which includes biostability assessment, biocompatibility assessment, preclinical efficacy, and clinical experience
ETH.MESH.03904451 - ETH.MESH.03904480	<b>Meshes in Pelvic Floor Repair</b> - Findings from literature review and conversations/interviews with surgeons
HMESH_ETH_06743815 - HMESH_ETH_06743819	<b>PRONOVA Suture: A New Damage Resistance and Pliable Non-absorbable Monofilament Suture</b> - A memo discussing the polymer preparation, filament preparation, and materials and methods of the Pronova suture
ETH.MESH.08167462 - ETH.MESH.08167465	<b>Pelvic Floor Repair Email</b> - An email that discusses a report on meshes used for pelvic floor repair. The recipients discuss the pros and cons of each and how they believe that some of the stats in the report are just rumors (in reference to TVT erosion)
ETH.MESH.05643313 - ETH.MESH.05643314	<b>Pelvic Floor Repair Email</b> - This is an email responding to the email referenced above. The response discussed the minimum target values for nonabsorbable mesh, in addition to, the differences in endopelvic fascia.
ETH.MESH.05644808 - ETH.MESH.05644810	<b>Project Edelweiss PD 01 /03: Notes from Meeting of 2.8.2001</b> - A memo that discusses the project goal of accelerating the transformation to large pore size meshes and what may go into doing so

ETH.MESH.05495497 - ETH.MESH.05495502	Notes from European Mesh Meeting Sept. 5, 2001 - Notes from a meeting that discussed Project Edelweiss PD 01/03.
ETH.MESH.05644320 - ETH.MESH.05644322	Project Edelweiss PowerPoint - A powerpoint that compares the possible material choices, Pronova or Prolene
ETH.MESH.06000873 - ETH.MESH.06000875	<b>Invention Disclosure Form</b> - A invention disclosure form for Polyoxyster as a tissue engineering material for replacement of muscle, ligament, fascia and other tissue types
ETH.MESH.05455878 - ETH.MESH.05455898	<b>Ethicon Surgeon Panel Meeting: Mesh</b> - A meeting where the focus was the future of abdominal wall repair. It has notes from the numerous presentations which support the focus.
ETH.MESH.05574856 - ETH.MESH.05574856	<b>Powerpoint Presentation : Graft or No Graft</b> - This presentation explores the various ways of going about repairing the pelvic floor, the pros and cons of each, and risks associated
ETH.MESH.03928132 - ETH.MESH.03928133	<b>Titanium Mesh Email</b> - An email that discusses the advanced mesh materials in order to try reducing erosions and shrinkage; in addition to potential pros and cons
ETH.MESH.05574759 - ETH.MESH.05574761	<b>Proposal for Work with CBAT</b> - An email that discusses the approval for project approval. It also discusses important points a professor made in regards to problems he is having with mesh
ETH.MESH.00870465 - ETH.MESH.00870476	<b>Minutes Hamburg Meeting June 2nd: Email</b> - An email that contains the minutes from the New Mesh for Pelvic Floor meeting.
ETH.MESH.01752532 - ETH.MESH.01752536	<b>Mesh design argumentation issues</b> - A report that looks at the biomechanical consequences of implantable meshes and their concerns

ETH.MESH.10511708 - ETH.MESH.10511712	<b>State of the knowledge in mesh shrinkage</b> - This report discusses the product requirements of a next generation mesh in terms of less shrinkage. The goal of this research was to find out what is currently known about mesh shrinkage and which factors (on the patients' side as well as on the mesh side) influence mesh shrinkage.
ETH.MESH.02017152 - ETH.MESH.02017158	<b>Ethicon Expert Meeting : Meshes for Pelvic Floor Repair</b> - This memo lists the notes from the various presentations presented at the meeting (Lighting project, experiences with UltraPro, factors related to shrinkage, ideal pelvic floor repair)
HMESH_ETH_02860031 - HMESH_ETH_02860032	<b>How inert is polypropylene Email</b> - This email discussed the results of the dog study in regards to Prolene and Pronova sutures. In addition, it discusses the challenges from other professionals that they are facing
ETH.MESH.05588123 - ETH.MESH.05588126 and KE-001773913 - KE-001773913	<b>How inert is polypropylene Email Response</b> - This is a response to the above email. This email contains information about various test results and how those will effect the future
ETH.MESH.00869907 - ETH.MESH.00869909	<b>Minutes Call Email</b> - An email with the minutes from the Thunder Team call. The covered the following: project overview, marketing, medical/clinical, upstream, R&D, and miscellaneous
ETH.MESH.05878696 - ETH.MESH.05878699	<b>Implantation Study Pronova vs Prolene Email</b> - An email that includes a statement by Dr. Bernd Klosterhalfen on the implantation and evaluation of Pronova mesh compared to Prolene mesh of the same textile structure. In short the study ran for a year and showed an improved biocompatibility of the Pronova Meshes over the Prolene Meshes.

HMESH_ETH_00128788 - HMESH_ETH_00128789	<b>Implantation Study Pronova vs Prolene Email Response</b> - A response to the email above. There is discussion about a study already being successfully completed and how they plan to present this information.
HMESH_ETH_03293608 - HMESH_ETH_03293611	<b>Prolene Hernia System Email</b> - An email discussing the updates needed, the characteristics of mesh and how all mesh shrinks.
ETH.MESH.02588170 - ETH.MESH.02588180 and ETH.MESH.09649571 - ETH.MESH.09649571	<b>Powerpoint Presentation</b> - A powerpoint presentation that discusses mesh characteristics and states how no mesh is the best mesh.
ETH.MESH.02247337 - ETH.MESH.02247337	<b>Matrix Material Powerpoint Presentation</b> - a powerpoint that states that matrix material is a powerful new tool in Advanced Tissue Reconstruction. The powerpoint covers unmet needs, goals, visions, existing technology, concerns, studies and potential ideas
ETH.MESH.02141727 - ETH.MESH.02141727	<b>Thunder MGPP Decision Meeting Powerpoint</b> - A powerpoint that displays the topics covered during the Thunder Meeting which include customer feedback on PFR devices, potential roles, value propositions, various options, next steps and study comparisons
ETH.MESH.02142351 - ETH.MESH.02142351	<b>T-Pro (Thunder) Pipeline Leadership Team Powerpoint</b> - A powerpoint that gives the background and overview of T-Pro. In addition, it covers the marketing opportunity model, design considerations, techniques, published data, target product profile, product vision, needs, and future plans

ETH.MESH.00271215 - ETH.MESH.00271216	<b>Pre-Reading for PROLIFT+M Email</b> - An email that discusses that reps need to be conversant with is: Phases of wound healing, Comparative properties of various grafts, Mechanical of mesh integration including the important of port size, the phenomenon of scar bridging as it pertains to various grafts, the concept of hyperelasticity, and the use of animal models in the histological studies of wound healing (+ grafts)
ETH.MESH.00680021 - ETH.MESH.00680022	<b>PROLIFT+M Pre-reading #1 Email</b> - An email that communicates to the reps of the required reading they will need to do. It also summarizes the highlighted/important concepts out of the nine articles
ETH.MESH.01203957 - ETH.MESH.01203957	<b>The Future of Surgical Meshes: The Industry's Perspective Powerpoint</b> - A powerpoint that covers all the characteristics and concepts of mesh and the results of various studies and how these things will effect future mesh.
ETH.MESH.02310496 - ETH.MESH.02310502	<b>Matrix Thunder Avatar Plus Add to Meeting List Email</b> - An email that discusses the overview of lightweight implants, compare the strengths/features/goals, reviews the different types of studies and lists the possible projects.
ETH.MESH.09650757 - ETH.MESH.09650767	<b>Invention Disclosure Form</b> - An invention disclosure form for Areal implant with body embedded properties.
ETH.MESH.09650853 - ETH.MESH.09650863	<b>Invention Disclosure Form</b> - An invention disclosure form for Areal implant with body embedded properties.
HMESH_ETH_02034931 - HMESH_ETH_02034931	<b>Development of a Novel Preclinical Model to Evaluate Advanced Tissue Constructs for Pelvic Floor Repairs</b> - A slide that includes the abstract, introduction, Methods and Conclusion of developing a novel preclinical model

ETH.MESH.01787870 - ETH.MESH.01787870	<b>When the implant worries the body Powerpoint - A</b> powerpoint that goes over stiff implants, different testing methods and how they give different results, varying mesh sizes and physiological demands
ETH.MESH.15377373 - ETH.MESH.15377374	<b>Medical devices created from PVDF Blend polymers</b> - his memo is in response to the communication dated April 21, 2009 between James Williams (Ethicon) and Rossella Ingoglia (Sovay Solexis SpA). In that communication, follow-up questions were asked to better understand application areas and expected duration of the medical device in-vivo.
ETH.MESH.03722384 - ETH.MESH.03722386	<b>Mesh + Anti-proliferative agent Email</b> - An email discussing seeing a lot of work published that indicates that polypropylene produces an ongoing, chronic inflammatory reaction and other side effects.
ETH.MESH.00751733 - ETH.MESH.00751733	<b>Discovery Project T-Pro (NG PROLIFT):1st Material designed for Female Pelvic Floor Powerpoint</b> - A powerpoint used during EWH&U Engineering Review 10/22/09. It includes competitive markets, different projects and their goals and the history of innovative mesh solutions
ETH.MESH.02227282 - ETH.MESH.02227283	<b>Updated T-PRO Deck Email</b> - An email sharing the updated T-Pro Powerpoint with all of the reps. The update included switching slides around and including some further pictures and studies. This presentation also goes more in depth in regards to surgical needs and procedures.
HMESH_ETH_00228961 - HMESH_ETH_00228973	<b>PRONOVA properties Email</b> - An email with discussions about the attached powerpoint. The powerpoint is about WHU Thunder Pronova Characteristics and Prototype Screening in vivo (Histology, Biomechanics and stability)

HMESH_ETH_00240446 - HMESH_ETH_00240446	<b>EWHU R&amp;D Projects Powerpoint</b> - A powerpoint that discusses the prevalence of pelvic organ prolapse, different concept overviews, and different projects
ETH.MESH.04101843 - ETH.MESH.04101847	<b>Need your help Email</b> - An email discussing the first post-operative patient death associated with intra-operative use of Pronova Suture
ETH.MESH.10578304 - ETH.MESH.10578306	<b>PA Consulting Group Meeting: Mesh Erosion Interview: Pathology</b> - A memo containing the minutes to the Consulting Group meeting. They discussed the many variables that effect the erosion of mesh.
ETH.MESH.05916450 - ETH.MESH.05916450	<b>Chronic Pain: Prevention/Future: Bioengineer's point of view Powerpoint Presentation</b> - A powerpoint that covers the influencing factors, what causes the pain, how mesh is related, validation of results and recommendations
ETH.MESH.05237872 - ETH.MESH.05237872	<b>Mesh Properties: How Important are they Powerpoint Presentation</b> - A powerpoint that discusses polypropylene mesh, old fashioned mesh, issues faced, pain, construction, shrinkage, comparing different types of mesh and recommendations
ETH.MESH.05479695 - ETH.MESH.05479695	<b>Mesh Innovation for Pelvic Floor Repair Powerpoint Presentation</b> - A powerpoint that discusses what the ideal mesh is for pelvic floor repair, various requirements, and various options
ETH.MESH.07192929 - ETH.MESH.07192929	<b>Investigating Mesh Erosion in Pelvic Floor Repair Powerpoint Presentation</b> - A powerpoint that discusses the rate of complications, how to investigate, the family of meshes, important factors, influences of erosion, product comparisons and suggestions

ETH.MESH.14445346 - ETH.MESH.14445347	<b>Pronova presentation for international call Email -</b> An email that describes the attachment and what will be discussed during the call. It includes introducing the project FREELIFT, background on the requirements for a potential FREELIFT mesh, and literature talking about PRONOVA and PVDF results (mesh and suture).
HMESH_ETH_06944572 - HMESH_ETH_06944575	<b>PRONOVA as mesh raw material for project FREELIFT Email -</b> An email discussing the possibility of experts to use PRONOVA as raw material for the future mesh component of the FREELIFT implant (will be used for prolapse surgery). In addition, it included a development report
ETH.MESH.15223385 - ETH.MESH.15223386	<b>Minutes for the PRONOVA discussion Jan-18 2012 Email -</b> an email that included the highlights from the minutes of the Pronova discussion meeting
HMESH_ETH_03549498 - HMESH_ETH_03549501	<b>Leftovers from SECURSTRAP Email - An email that discusses</b> working on project FREELIFT (EWHU) and thinking about PALG20-85 as possible polymer for the new product. The email discusses about possible options and if there were any spare parts left over from previous projects
HMESH_ETH_06865166 - HMESH_ETH_06865168	<b>Pronova Email -</b> This email discusses the different projects and what is going on with each other them. In addition, it talks about what can effect drape.
ETH.MESH.07726991 - ETH.MESH.07726994	<b>CLAVE Publication: Ethicon Response Appointment -</b> This appointment reminder is for a meeting to discuss the latest responses on the CLAVE paper and talks about what the attendees need to do prior to the meeting
HMESH_ETH_00120151 - HMESH_ETH_00120152	<b>Mesh questions ... Again Email -</b> This email discusses various questions about pore size for different products

ETH.MESH.05644163 - ETH.MESH.05644171	<b>Pelvic Floor Repair : Surgeon' s Feed-back on Mesh Concept</b> - A memo that discusses a surgeon's feeling on pelvic floor repair, the reason's behind it and the products used
ETH.MESH.05644700 - ETH.MESH.05644704	<b>Value Propositions: Edelweiss</b> - A situation analysis of various situations a repair surgeon can face. In addition, it covers features and benefits, product description and value proposition
ETH.MESH.05644940 - ETH.MESH.05644942	<b>Implant Comparison</b> - A comparison between Prolene and Pronova that includes biocompatibility, general properties, and bacterial adhesion
ETH.MESH.00845621- ETH.MESH.00845621	<b>Agenda Email</b> - An email that discusses the concern about lack of alignment of IFUs for a product as new iterations come about.
ETH.MESH.02307214- ETH.MESH.02307242	<b>Review Email</b> - An email with an attachment that is used for review. The email discusses that there is an upcoming NTM and a minor exam the reps will be encountering .
ETH.MESH.08174059- ETH.MESH.08174071	<b>Procedural steps Email</b> - An email with an attachment that lists all the procedural steps for the different pelvic repair procedures
	<b>Prolift Notebook</b>
ETH.MESH.19874581- ETH.MESH.19874582	<b>Prolift plus M Email</b> - An email that discusses what the status of the Prolift plus M graft
ETH.MESH.00584846 - ETH.MESH.00584847	<b>Mesh for TVM Email</b> - An email that discusses some input from the Gynecare European unit regarding mesh used for pelvic floor repair.
ETH.MESH.03928881 - ETH.MESH.03928882	<b>IFU Prolift Email</b> - An email about potential new additions to the IFU's
ETH.MESH.02286052 - ETH.MESH.02286053	<b>IFU Prolift Email</b> - An email discussing if items can be added to the IFU without FDA approval
ETH.MESH.05246527 - ETH.MESH.05246528	<b>Next Generation Mesh Discussion</b> - A memo/minutes from a meeting that covers reviewing current priorities, future direction, owners and timelines

ETH.MESH.06828907 - ETH.MESH.06828909	<b>ICS submission Email</b> - An email discussing understanding/assumptions/requests regarding the submissions.
ETH.MESH.04020138 - ETH.MESH.04020145	<b>ULTRAPRO vs PROLENE Soft Mesh Email</b> - An email that discusses information that was presented to them and where there are issues and/or questions
ETH.MESH.03906576 - ETH.MESH.03906579	<b>Press Interview</b> - A memo discussing a demonstrative slide showing what a prolapse really is and emphasize it is a very common issue in women.
ETH.MESH.02923305 - ETH.MESH.02923306	<b>PROLIFT email</b> - An email discussing safety information and efficacy data
ETH.MESH.00877490 - ETH.MESH.00877491	<b>Prolift Mesh (Gynecare) for Pelvic Organ Prolapse Surgical Treatment Using Tension-free Vaginal Mesh : Presented at ICS</b> - A memo discussing Pelvic Organ Prolapse and the techniques used to treat. In addition, it refers to different studies and data
ETH.MESH.03911684 - ETH.MESH.03911687	<b>PROLIFT Improvements: Pr Eberhard (Frauenfeld, Switzerland) Email</b> - An email discussing needing to think about how and what they will change in Prolift.
ETH.MESH.05243265 - ETH.MESH.05243265	<b>TVM discussions Email</b> - An email discussing the concerns that were brought up during a TVM meeting
ETH.MESH.00870466 - ETH.MESH.00870476	<b>Ethicon Expert Meeting: Meshes for Pelvic Floor Repair</b> - A memo of minutes from a meeting that discuss the highlights of a presentation
ETH.MESH.00012009 - ETH.MESH.00012089	<b>Clinical Study Report: Evaluation of the TVM technique for treatment of genital prolapse</b> - This is the study of the Evaluation of the TVM technique for treatment of genital prolapse
ETH.MESH.03160750 - ETH.MESH.03160752	<b>Pelvic Floor/Mesh Strategy Email</b> - An email that discusses the Lighting project and Prosima

ETH.MESH.00267733 - ETH.MESH.00267872	<b>Lighting Project Charter Powerpoint Presentation -</b> A powerpoint that discusses the marketing plans, financial plans and visions for the project. In addition, it discusses the customer needs and project milestones
ETH.MESH.01774758 - ETH.MESH.01774760	<b>PROLIFT Mesh Design Email -</b> An email discussing ideas for the upcoming projects and products
ETH.MESH.03912616 - ETH.MESH.03912618	<b>PROLIFT Mesh Design Email -</b> An email discussing ideas for the upcoming projects and products
ETH.MESH.02017152 - ETH.MESH.02017158	<b>Ethicon Expert Meeting : Meshes for Pelvic Floor Repair -</b> This memo lists the notes from the various presentations presented at the meeting (Lighting project, experiences with UltraPro, factors related to shrinkage, ideal pelvic floor repair)
ETH.MESH.03536600 - ETH.MESH.03536602	<b>Pain after Prolift Email -</b> An email discussing complaints about Prolift
ETH.MESH.00067354 - ETH.MESH.00067363	<b>Q&amp;A transcription Email -</b> An email with an attachment that is the transcript from the +M webinar.
ETH.MESH.08367243 - ETH.MESH.08367244	<b>SLU Uro-GYN Follow-up Email -</b> An email that discusses how upset a doctor is about a patient who has permanent damage from one of the products
ETH.MESH.05237919 - ETH.MESH.05237919	<b>Prolift +M (Lightning) Background Information from R&amp;D Powerpoint Presentation -</b> This powerpoint discusses the improvements customers expect, project candidates, and product overview including characteristics
ETH.MESH.01238483 - ETH.MESH.01238484	<b>Prolift +M vs. Pinnacle -</b> A memo that compares Prolift +M and Pinnacle
ETH.MESH.04097128 - ETH.MESH.04097131	<b>Draft Email -</b> An email discussing the items needed to include into the draft of a piece of work

ETH.MESH.01208013 - ETH.MESH.01208038 and Google Translate page	<b>Results +M Email</b> - An email that discusses the summary of the results of a study
ETH.MESH.02011262 - ETH.MESH.02011267	<b>Methodology to Prevent Mesh Torsion during Vaginal Mesh Placement Email</b> - An email that includes notes on the sheath invention
ETH.MESH.00584592 - ETH.MESH.00584593	<b>Our conversation today Email</b> - An email discussing about potential options about the Anterior TVM project
ETH.MESH.02282833 - ETH.MESH.02282834	<b>TVM: First training: key learnings Email</b> - An email that discussed the key points that will be analyzed and action items made to address them.
ETH.MESH.03920748 - ETH.MESH.03920749	<b>Project MINT/TVM group Email</b> - An email discussing how to handle the group in order to meet their needs and get done what they wanted to get done
ETH.MESH.00132906 - ETH.MESH.00132907	<b>PROLIFT Ordering lift Email</b> - An email that discusses lifting the restriction of restricting the ability of ordering from HCS to ONLY those hospitals that had trained physicians.
ETH.MESH.11630125 - ETH.MESH.11360130	<b>Prolift</b> - A memo that discusses Prolift in detail including the different stages, history, contradictions and product characteristics
ETH.MESH.03736451 - ETH.MESH.03736452	<b>Complaint</b> - A complaint form about Gynecare Prolift
ETH.MESH.07346252 - ETH.MESH.07346252	<b>GYNECARE PROLIFT Pelvic Floor Repair Systems Forums and Round Table Summary Powerpoint Presentation</b> - A powerpoint that discusses the pre-op considerations, intra op considerations, post op considerations, management of complications and tips and tricks of the device
ETH.MESH.01782783 - ETH.MESH.01782785	<b>Notes from Meeting with Dr. V Lucente and Dr. M Murphy (Allentown, PA) to discuss Prolift RCT</b> - A memo including notes from a meeting with two surgeons

ETH.MESH.00848180 - ETH.MESH.00848181	<b>Posterior Prolift Email</b> - An email discussing the use of sutures during a posterior prolift
ETH.MESH.00850307 - ETH.MESH.00850310	<b>Hello from Tokyo Email</b> - An email discussing various cases and various surgeons
ETH.MESH.00757565 - ETH.MESH.00757566	<b>Gynemesh/Pelvic Floor Training Needs Email</b> - An email discussing the educational training procedures
ETH.MESH.00848098 - ETH.MESH.00848099	<b>Prolift questions Email</b> - An email discussing various questions about Prolift
HMESH_ETH_01896718 - HMESH_ETH_01896729	<b>Expert Opinions on the Use of Gynecare Prolift Complete, Anterior, and Posterior Pelvic Floor Repair System</b> - A memo that discusses the expert opinion in depth about Prolift
ETH.MESH.03932906 - ETH.MESH.03932908	<b>History of Prolift</b> - A memo that discusses in depth about the history of Prolift
ETH.MESH.06079837 - ETH.MESH.06079838	<b>Help Prolift Question Email</b> - An email that discusses some questions about prolift
ETH.MESH.04041373 - ETH.MESH.04041413	<b>Gynecare Prolift: Surgeon's Resource Monograph</b> - A memo that gives a unique opportunity to the reader to have access to the experience of surgeons from around the world who have each performed the GYNECARE PROLIFT* Pelvic Floor Repair System procedure in a large number of cases
ETH.MESH.00841557 - ETH.MESH.00841558	<b>Meeting in Roma - Dr. D'Afiero (Naples, ITALY) Email</b> - An email that discusses a potential modified prolift procedure
ETH.MESH.03503019 - ETH.MESH.03503020	<b>Prolift question Email</b> - An email discussing a Prolift complaint
ETH.MESH.02017051 - ETH.MESH.02017084	<b>Ethicon Prolift Physician IDI's</b> - A memo that discusses Prolift and all of its components in detail
ETH.MESH.00006345 - ETH.MESH.00006347	<b>TVM study Email</b> - An email discussing the attached study
ETH.MESH.03472803 - ETH.MESH.03472821	<b>Prolift</b> - A memo that discusses prolift and gynemesh in detail

ETH.MESH.01239420 - ETH.MESH.01239424	<b>RAB - T-Pro redefinition Email</b> - An email that discusses different types of mesh and questions/answers about them
ETH.MESH.07171404 - ETH.MESH.07171406	<b>Promisa Take Away Messages Email</b> - An email discussing important highlights of a meeting where promisa was discussed
ETH.MESH.08174214 - ETH.MESH.08174227	<b>Tomorrow Email</b> - An email discussing reviewing material before a meeting
ETH.MESH.03977109 - ETH.MESH.03977112	<b>Pre-Vote Call/Leadership Team Email</b> - An email discussing possible adjustments to professional education and training
	<b>Prolift M Notebook</b>
ETH.MESH.03915690 - ETH.MESH.03915692 and ETH.MESH.03915688 - ETH.MESH.03915689	<b>Use of UltraPro Mesh for Pelvic Organ Prolapse</b> - Report assessing potential expansion of use of UltraPro and emails discussing report
ETH.MESH.09664947 - ETH.MESH.09664950	<b>AW: Gynemesh PS w/ Monocryl</b> - Emails discussing commercial and clinical viability of using Ultrapro for POP
HMESH_ETH_00602957 - HMESH_ETH_00602959	<b>Decision on Proposal from Dr. Deprest</b> - Meeting notes from discussion of potential use of UltraPro in urogynaecology and experimental testing plan
ETH.MESH.03160750 - ETH.MESH.03160752	<b>FW: Pelvic Floor/Mesh Strategy</b> - Email from Dr. Arnaud discussing lightning and Prosima projects
ETH.MESH.05242095 - ETH.MESH.05242096	<b>RE: Cobb Study</b> - Email from Dr. Deprest to Peter Meier responding to the cancellation of a planned animal study
HMESH_ETH_00897506 - HMESH_ETH_00897506	<b>RE: Ultrapro</b> - Email from Dr. Deprest summarizing feedback on Ultrapro and discussing reports of mesh ruptures with ultrapro
ETH.MESH.00126821 - ETH.MESH.00126822	<b>PROLIFT+M Response from FDA</b> - Email from FDA detailing advised changes in labeling of Prolift+M

ETH.MESH.00126813 - ETH.MESH.00126820	<b>DRAFT FDA Response on PROLIFT+M for Input</b> - Email requesting input on draft and Ethicon's draft response to FDA letter advising changes in Prolift +M's labeling and patient brochure
ETH.MESH.00126755 - ETH.MESH.00126757	<b>RE: DRAFT FDA Response on PROLIFT +M for input</b> - Emails commenting on draft response to FDA letter advising changes in Prolift +M's labeling and patient brochure
ETH.MESH.14429052 - ETH.MESH.14429052	<b>Mesh Evidence Generation Strategy</b> - PowerPoint presentation about mesh detailing evidence needed, existing data, and publication plan
ETH.MESH.00067354 - ETH.MESH.00067363	<b>FW: Q&amp;A Transcription</b> - Email containing transcription of Dr. Lucente's webinar on Prolift +M
ETH.MESH.02596622 - ETH.MESH.02596623	<b>FW: PROSIMA Take Away Messages</b> - Email detailing concerns about marketing PROSIMA
ETH.MESH.00594767 - ETH.MESH.00594768	<b>Re: Updated: CDMA Call</b> - Email on rate of erosion complaints for Prolift +M and response instructing not to discuss topic in emails.
ETH.MESH.01785259 - ETH.MESH.01785260	<b>Re: +M Relaxation</b> - Emails discussing thoughts of Professor Klosterhalfen on elasticity, erosion, and pore size
ETH.MESH.01208013 - ETH.MESH.01208038	<b>Results +M</b> - Email containing summary of results of study titled "One Year Anatomic and Functional Outcomes Following Pelvic Floor Repair with Partially Resorbable Mesh Placed Using the Trans-Vaginal Mesh Approach" and a draft of discussion of the study.
ETH.MESH.00827953 - ETH.MESH.00827955	<b>RE: PROLIFT+M 1-year Data</b> - Emails Discussing Internal Dissemination of Data from Trial with PROLIFT +M

ETH.MESH.02599391 - ETH.MESH.02599394	<b>Gynemesh M Package Insert Changes</b> - Memo Explaining Reasoning for Statement Regarding Perpendicular Flexibility in Gynemesh M Instructions for Use, Table Showing Elongation Ratio, and Signed Statement from Piet Hinoul on Bidirectional Elastic Properties of Gynemesh M
ETH.MESH.00579391 - ETH.MESH.00579392	<b>RE: Lab Results of Mesh Roping Evaluation</b> - Email detailing results of test of elongation and narrowing of Prolift +M and email responding to results
ETH.MESH.06321602 - ETH.MESH.06321604	<b>Medium-Term Clinical Outcomes Following Trocar-Guided Mesh Repair of Vaginal Prolapse Using Partially Absorbable Mesh</b> - Article Abstract
ETH.MESH.08315779 - ETH.MESH.08315810	<b>Clinical Expert Report on Prolift +M Pelvic Floor Repair System</b> - Report
ETH.MESH.01238480- ETH.MESH.01238484	<b>Prolift+M vs Pinnacle</b> - Document detailing apical support issues and emails discussing findings
ETH.MESH.00796824- ETH.MESH.00796826	<b>RE: Agenda for Friday January 29, 2010 with Brochure Attached</b> - emails discussing event agendas
ETH.MESH.01246567- ETH.MESH.01246569	<b>FW: Risk analysis Gynemesh Bidirectional Mesh Elongations of UltraPro</b> - Emails discussing whether or not to advocate for a particular directional use of Gynemesh M
ETH.MESH.01254550- ETH.MESH.01254554	<b>RE: Interesting data on Dyspareunia and PROLIFT+M</b> - emails discussing dyspareunia, pain, and apical support with Elevate, Prolift, and Pinnacle
ETH.MESH.04181753- ETH.MESH.04181753	<b>Prosima and Prolift M Survey Data - Feb 10</b> - spreadsheet of feedback from doctors on Proxima/Prolift+M Physician training.
	<b>TVT NOTEBOOK</b>
ETH.MESH.12009069 - ETH.MESH.12009070	<b>1998 Project Proposal for TVT Improvement</b> - Proposal to improve the appearance, packaging, and design of TVT

ETH.MESH.12009027 - ETH.MESH.12009035	<b>GyneMesh II New Mesh Design</b> - Document discussing design of new mesh for repair of prolapse
ETH.MESH.11283974 - ETH.MESH.11283974	<b>Reisebericht: TVT-Brainstorming (PD 98/5)</b> - Email of meeting notes on TVT patent and future improvements
ETH.MESH.12009276 - ETH.MESH.12009277	<b>Development Strategy</b> - Email outlining development strategy for TVT which includes preparing prototypes for improving polypropylene mesh and the introducer needle/needle
ETH.MESH.12009262 - ETH.MESH.12009262	<b>WG Strictly Confidential Marketing Requirements For TVT Improvement Team</b> - Email listing requirements for marketing
ETH.MESH.08167452 - ETH.MESH.08167453	<b>R: Prof. Klutke - Confidential</b> - Emails discussing the possibility of publishing Dr. Klutke's TVT explant technique
ETH.MESH.10181921 - ETH.MESH.10181922	To Donald Ostergard - Letter responding to Ostergard's editorial comments on a manuscript referred to as the TVT supplement in the International Urogynecology Journal
ETH.MESH.12002601 - ETH.MESH.12002601	<b>TVT Improvements</b> - Email listing new ideas for TVT improvement that were discussed at a meeting in Hamburg
HMESH_ETH_00958016 - HMESH_ETH_00958017	<b>R: TVT Recommendations from Dr. Wang</b> - Emails discussing TVT improvements and the use of the technique of releasing the plastic sheath overlap prior to inserting TVT needles in Europe and the U.S.
HMESH_ETH_00958098 - HMESH_ETH_00958100	<b>R: TVT-S Project</b> - Emails discussing the possible implementation of manufacturing TVT with a shortened plastic sheath containing a marker
HMESH_ETH_00958313 - HMESH_ETH_00958316	<b>FW: Particle Release Characteristics of Clear and Blue TVT Mesh</b> - Emailed report and spreadsheet from a project titled Comparison of Particle Characteristics of Clear and 50% Blue PROLENE Mesh of TVT Device

ETH.MESH.03911107 - ETH.MESH.03911108	<b>RE: TVT complications (an Prof. Hausler)</b> - Emails recounting Dr. Arnaud's conversation with Professor Hausler on erosions due to TVT mesh
ETH.MESH.00858080 - ETH.MESH.00858081	<b>High Level Follow Ups from Today's Meeting</b> - Meeting notes discussing production and marketing steps for the implementation of TVT-O
ETH.MESH.01218429 - ETH.MESH.01218449	<b>TVT Clear and Blue Mesh Information</b> - Emailed Corporate Product Characterization reports on elements of mesh production including knitting, scouring, and heat setting processes for new construction and old construction PROLENE mesh
ETH.MESH.00584592 - ETH.MESH.00584593	<b>Fw: Our conversation today-</b> Emails discussing design ideas for the Anterior TVM project and the production of prototypes
ETH.MESH.00864131 - ETH.MESH.00864133	<b>RE: Aug 11 program</b> - Email of Dr. Aguirre's questions about TVT-O following a lecture event and emails discussing how to respond to him
HMESH_ETH_02115988 - HMESH_ETH_02115988	<b>FW: Prolene fraying and MDR reporting practice</b> - Archived email about the fracturing and breaking of the Prolene device being misrepresented as a fray
ETH.MESH.06212843 - ETH.MESH.06212844	<b>FW: Prolene fraying and MDR reporting practice</b> - Emails discussing whether or not to report Prolene fraying
ETH.MESH.00867529 - ETH.MESH.00867530 and ETH.MESH.06886761 - ETH.MESH.06886767	<b>RE: TVT-O</b> - Emailed report and comments from Neuchatel on the first manufactured TVT-O samples and emails discussing the issues raised in the report
ETH.MESH.00541379 - ETH.MESH.00541380	<b>Mesh Fraying For TVT Devices</b> - Memo from Dr. Weisberg addressing complaints of fraying mesh during placement of TVT devices and explaining that fraying does not affect the safety of the device

ETH.MESH.00863391 - ETH.MESH.00863393	<b>RE: Important: 2 TVT Complaints concerning allegedly brittle mesh</b> - Emails discussing complaints that mesh particles fell off of TVT during the surgery
ETH.MESH.02180759 - ETH.MESH.02180761	<b>Summary of a Confidential Meeting Concerning Potential Modifications of TVT-O</b> - Letter from Professor Jean de Leval of the University of Liege summarizing a meeting discussing changes to the TVT-O design
ETH.MESH.00523733 - ETH.MESH.00523733	<b>TVT Obturator PM</b> - Powerpoint presentation on TVT-O detailing surgical techniques, patient selection, clinical studies, and sales strategies for the device
ETH.MESH.00994927 - ETH.MESH.00994929	<b>Updates on Continence Health</b> - Emailed report summarizing a meeting between Ethicon and an agency on marketing strategy for TVT
HMESH_ETH_01882900 - HMESH_ETH_01882901	<b>RE: Surgeons really want to know the best way to code for Prolift</b> - Emails discussing the standardization of insurance coding for Prolift and treatment of mesh erosion
ETH.MESH.06868209 - ETH.MESH.06868227	<b>AW: Next Generation TVT SECUR</b> - Emailed Invention Disclosure report for a NEW TVT-SECUR device designed to further reduce the risk of bladder perforation and to reduce vagina erosions
ETH.MESH.01822361 - ETH.MESH.01822363	<b>RE: TVT SECUR</b> - Emails discussing reported TVT-Secur complaints about the fixation tip, bleeding, and tension
ETH.MESH.07396540 - ETH.MESH.07396546	<b>EWHU Communication: TVT SECUR: What's New 11/2/06</b> - Emailed report of Procedural Pearls and Frequently Asked Questions for TVT-Secur, designated for internal use only
ETH.MESH.00998253 - ETH.MESH.00998257	<b>RE: GYNECARE TVT SECUR Brochure</b> - Email regarding changes in TVT-Secur sales aid and emailed copy of sales aid

ETH.MESH.03922228 - ETH.MESH.03922230	<b>RE: NICE IP review on Single Incision Sub-urethral slings (TVT Secur)</b> - Emails discussing NICE's Interventional Procedure provisional recommendation on TVT-Secur in which NICE restricts the use of TVT-Secur to clinical trials
ETH.MESH.05009194 - ETH.MESH.05009196	<b>Fw: PROLIFT + M Registration:</b> Emails discussing comments allegedly made by Dr. Lucente about Prosima and TVT-Secur and email discussing Prolift +M registration in Australia
ETH.MESH.04048515 - ETH.MESH.04048520	<b>Meeting and Interview with Key Opinion Leader Carl Nilsson</b> - Report transcribing meeting discussion about development of a Next Generation Mini-Sling
ETH.MESH.04092868 - ETH.MESH.04092869	<b>#10100080654 and TVT IFUs</b> - Email from Dr. Meng Chen recommending updating the IFU's for TVT, TVT-O, and TVT-Secur to reflect the manufacturer's current knowledge of adverse reactions
ETH.MESH.01202101 - ETH.MESH.01202103	<b>RE: My Revised Write-up of the DeLeval and Waltregny Visit</b> - Emails discussing summary of a meeting on TVT-O
ETH.MESH.04050265 - ETH.MESH.04050267	<b>Summary of Meeting with Professor deLeval and Prof Waltregny</b> - report summarizing questions discussed at meeting about the source of TVT-O pain and mini TVT-O
ETH.MESH.04094863 - ETH.MESH.04094864	<b>RE: TVT IFUs on Tape Extrusion, Exposure and Erosion</b> - Email from Dr. Chen recommending a more specific warning statement on TVT-A, TVT-O, and TVT-S IFUs articulating that transitory local irritation at the wound site and a transitory foreign body response to the tape may occur which could result in tape extrusion, tape erosion, fistula formation or inflammation and email setting up a meeting to discuss

ETH.MESH.09951087 - ETH.MESH.09951090	<b>Things to Consider as We Assess Next Steps for a Next Generation Sling:</b> Emailed outline of discussions on possibilities of Professor DeLeval's Mini-me sling, a next generation TVT-Secur, and a next generation Scion
ETH.MESH.02596622 - ETH.MESH.02596623	<b>FW: PROSIMA Take Away Messages</b> - Emails detailing technical, financial, and organizational concerns about introducing PROSIMA to the market
ETH.MESH.00174793 - ETH.MESH.00174809	<b>RE: TVT Integrity Selling Brochure</b> - Emailed draft of Incontinence Selling Guide for TVT, TVT-O, and TVT-Secur detailing how to conduct selling interviews and handle common objections
ETH.MESH.08581280 - ETH.MESH.08581282	<b>Equivalence Supported by Pre-clinical Performance Studies</b> - Report on cadaver study in which side by side anatomical observations of TVT-O and the proposed TVT-Abbrevio were performed
ETH.MESH.13204508 - ETH.MESH.13204521	<b>RE: Product Complaint CC1007005-Taiwan</b> - Emails discussing complaints in which tiny mesh pieces were found in the unopened tyvek TVT-O box and pictures of mesh pieces
ETH.MESH.05479535 - ETH.MESH.05479535	<b>Ethicon Products Classified as Microporous, Medium, and Macroporous</b> - Chart identifying TVT slings as microporous, Gynemesh, Prosima, and Prolift as medium, and Gynemesh +M and Prolift +M as macroporous
ETH.MESH.11353422 - ETH.MESH.11353439	<b>Risk Assessment Summary for Products in Gynecare TVT-Secur System</b> - Risk assessment report for TVT-Secur
ETH.MESH.00584811 - ETH.MESH.00584813	<b>RE: Re Ultrasonic Slitting of Prolene Mesh for TVT</b> - Email from Gene Kammerer answering questions on the ultrasonic cutting process for TVT.

ETH.MESH.06857886 - ETH.MESH.06857886	<b>Mechanical vs. "Machine"-cut Mesh</b> - Powerpoint on mechanical vs. ultra-sonic/laser cut mesh
ETH.MESH.01219542 - ETH.MESH.01219548	<b>Project TVT Laser Cut Mesh Design History File</b> - Review evaluating the responses from surgeons in France who evaluated the Laser Cut Mesh in comparison to the Mechanical Cut Mesh for TVT products.
ETH.MESH.01219629 - ETH.MESH.01219646	<b>RE: Particle Loss on TVT</b> - Emails discussing TVT particle loss and Performance Evaluation Test Report evaluating the amount of particle loss in laser cut and mechanical cut TVT Prolene mesh
ETH.MESH.01220216 - ETH.MESH.01220230	<b>TR: First Human Use - Surgeon Preference Questionnaire</b> - Emails discussing changes to a surgeon questionnaire part of the First Human Use protocol and the questionnaire titled: An Evaluation of the Application of the GYNECARE TVT Obturator* System Tension -free Support for Incontinence with Laser Cut Mesh
ETH.MESH.08334244 - ETH.MESH.08334245	<b>Photographs of LCM vs MCM</b> - Emailed Powerpoint of photographs comparing laser cut mesh with mechanical cut mesh after 50% elongation
ETH.MESH.16416002 - ETH.MESH.16416004	<b>RE: Conversion to Laser Cut TVT</b> - Emails discussing concerns about transitioning from mechanical cut to laser cut mesh
ETH.MESH.02090196 - ETH.MESH.02090209	<b>04/15/08 Trip Notes</b> - Notes from TVT-O cadaver surgeries, anatomical dissection, and discussions about TVT-O, TVT, and TVT-Secur with Drs. de Leval and Waltregny
ETH.MESH.01238552 - ETH.MESH.01238553	<b>Notes on Liege Visit</b> - Notes from meeting with Dr. deLeval and Dr. Waltregny about suggested modifications for medium TVT-O

HMESH_ETH_08484481 - HMESH_ETH_08484482	<b>FW: MEMO re TVT-O Particles: Draft Closure Letter</b> - Email discussing the remote possibility of adverse consequences of tiny mesh particles in TVT-O packaging and closure letter responding to complaints
ETH.MESH.03941623 - ETH.MESH.03941623 and Translation by CVA	<b>TVT ABBREVO ALERT</b> - Email in which Dr. de Leval attributes four recent TVT-Abbrevio erosions in his patients to the use of laser-cut mesh and requests an inquiry
ETH.MESH.11283949- ETH.MESH.11283951	<b>WG: Trip report---Meeting with Dr. Ulstem</b> - Emailed notes from a Stockholm Trip Report
ETH.MESH.03915380- ETH.MESH.03915380	<b>Dr. Lucente/TVT Procedure Improvements/Prevention of Overstretching</b> - Email from Dr. Arnaud directing Dr. Saller to begin a project to improve design of TVT and standardize the TVT procedure
ETH.MESH.03620573- ETH.MESH.03620575	<b>RE: TVT-O FEEDBACK FROM SURVEY - Attention Required</b> - Emails discussing results from surveys from TVT-O Telesurgery Program
ETH.MESH.00864503- ETH.MESH.00864507	<b>Re: Ongoing TVT-O Action Items</b> - Emails discussing issues with tensioning of TVT, sheath removal, and different techniques used
ETH.MESH.00056921- ETH.MESH.00056953	<b>Updated Trainers Guide</b> - Email of updated guide for facilitators conducting training for TVT Secur and copy of guide titled Gynecare TVT Secur Trainers Guide
ETH.MESH.03921637- ETH.MESH.03921640	<b>Fw: TVT SECUR Units sold 21 November</b> - Emails discussing reasons for the decrease in sales of TVT Secur
	Answer and Defenses - Amy Holland
	Complaint for Damages - Amy Holland
	COS of Discovery, Defendants Discovery Responses and Production - Amy Holland
ETH.MESH.00864131- ETH.MESH.00864133	<b>RE: Aug 11 Program</b> - Email of Dr. Aguirre's questions about TVT-O following a lecture event and emails discussing how to respond to him

ETH.MESH.08020093- ETH.MESH.08020094	<b>Re: Aguirre - Internal Use Only</b> - Emails discussing the market for Prosima, Dr. Aguirre's contract revision, his complaints about Prosima, and his use of Elevate
ETH.MESH.11449230- ETH.MESH.11449232	<b>RE: Aug 11 Program</b> - Emails discussing Dr. Rogers lecture, Dr. Aguirre's questions about TVT-O and why it would be better than TVT, and the draft of a response to Dr. Aguirre
ETH.MESH.11468459- ETH.MESH.11468461	<b>RE: Schedule for Dr. Miller visit to Denver</b> - Emails discussing Dr. Aguirre's surgical schedule, Dr. Miller's attendance at several cases, and a case of Gynemesh removal due to exposed mesh and bunching
ETH.MESH.11474337	<b>RE: Oscar --The Latest Fiasco</b> - Emails discussing Dr. Aguirre's frustration with Dr. Keil's involvement with Gynecare and Dr. Aguirre's vs. Dr. Keil's worth in dollars to Ethicon
ETH.MESH.11474341	<b>Oscar -- The Plan</b> - Email detailing justification for keeping Dr. Aguirre as a preceptor and justification for using Dr. Keil as a Key Opinion Leader and discussing best response to Dr. Aguirre's frustration
ETH.MESH.11474393- ETH.MESH.11474397	<b>FW: LA Speaker Event</b> - Emails discussing Dr. Aguirre's upcoming participation in Gynemesh PS preceptorship in Mexico, upcoming UCSD TVT-O training, Dr. Aguirre's participation in an AMS study, and his frustration with Gynecare
ETH.MESH.19348368- ETH.MESH.19348372	<b>RE: Gynecare TVT Training, Remainder 2004</b> - Emails with Dr. Aguirre discussing professional education events, TVT-O training, Gynecare and competitor company clinical trials, and email about Gynecare's contract with him and use of him as preceptor
ETH.MESH.19346603- ETH.MESH.19346604	<b>Re: Thank you</b> - Emails discussing choice of doctors to target for Prolift training, upcoming TVT-O training, and late night out with Dr. Aguirre

ETH.MESH.10219647- ETH.MESH.10219647	<b>Excel sheet</b> - Lists call objective for Dr. Raybon of "have surgeon book cases" with an objective not achieved.
ETH.MESH.10219669- ETH.MESH.10219669	<b>RE: 5 up</b> - E-mail discussing case numbers. Notes Dr. Raybon has done one case.
ETH.MESH.03970543- ETH.MESH.03970543	<b>Thermachoice Targets</b> - Dr. Raybon listed as a target. Notes he's "concerned w/ patients tolerating THC."
ETH.MESH.03967449- ETH.MESH.03967449	<b>Atlantic coast division field ride agenda</b> - Agenda mentioning meeting with Dr. Raybon.
ETH.MESH.03976321- ETH.MESH.03976321	<b>Quarter 1 targets</b> - Dr. Raybon listed under Uterine Health and Pelvic Floor as a target. Notes he's "in exploratory faze, he wants to investigate Prosimia" and "skeptical at this point."
ETH.MESH.03976418- ETH.MESH.03976418	<b>Significant progress towards targets</b> - Notes Raybon will take a strong look at Prosmia.
KE-001778016	<b>Member list</b> - E-mail listing Dr. Raybon as a member of IUGA 2009-2010.
ETH.MESH.17554360- ETH.MESH.17554362	<b>60th Annual Meeting Schedule of events</b> - Lists on 08/25/2011 Dr. Raybon, Dr. Rosenblatt, and Dr. Windom will instruct in a "Hands on Lab - Cadavers and Models for Pelvic Surgical Techniques."
ETH.MESH.17773294- ETH.MESH.17773296	<b>Topics and objectives, 2011 annual meeting</b> - Lists more information on the Hands on Lab - Cadavers and Models for Pelvic Surgical Techniques.
